## PROFILE

My name is Hewafonsekalage Janiru Keshan. I am 14 years old. I have been participating in competitions since the age of 7, below the age of 10 category. I have been doing this for about seven years now.

I have never traveled abroad before. This upcoming trip to Indonesia will be my very first international journey. I attend Kelaniya Gurukula Vidyalaya, and I live in the Kadawatha area. My father is a small-scale businessman, and my mother is a housewife. I have one brother and one sister, making us a family of five members.

In 2023, I won first place at the All-Island level, and in 2024, I secured third place at the National School level.

For this trip to Indonesia, I need Rs. 350,000 (approximately USD 1160). If anyone is able to help, I would be truly grateful for your support.
